

Four-Year Degree Plan for Major in Economics, B.A.

Note that this is a sample four-year plan. There are other course sequences that will allow a student to graduate within four years as long as prerequisite courses are taken in the proper sequence. This sample plan does not guarantee course availability, and adjustments to students' plans may be necessary if they are unable to take specific courses during specific semesters. Students who are placed into lower level AWR, MAT or other prerequisite courses will need to adjust their four-year plans accordingly. Similarly, students who bring in Advanced Placement, Dual Enrollment or transfer credit for courses will need to adjust their four-year plans. A minimum of a 2.0 GPA both overall and in the major is required for graduation. In addition to major requirements, all components of the Baccalaureate Experience must be completed in order to successfully graduate. A student hours to qualify for the Bachelor of Arts degree in Economics.

First (Freshman) Year - Fall Semester

AWR 101	Writing and Inquiry	4
MAT 260	Calculus I	4
	or	
MAT 225	Calculus for Business	4
ECO 204	Principles of Microeconomics	4
	Humanities/Fine Arts (Bacc. Exp.)	4
BAC 101	First-Year Seminar I	1
	or
